Faculty of the Department of Music are committed to providing a vibrant musical and learning environment to nurture artistic and creative growth in all students of music, to encourage and guide students through dynamic interaction in classroom and practical experiences as they mature into tomorrow's music professionals, and to mentor students in responsible use of their talents for service to Christ and to humanity.

Bachelor of Music curricula provide a comprehensive exposure to and experience with the performance, history, and theory of music. Students receive hands-on supervised teaching experience in studio or classroom teaching. Bachelor of Arts curricula are for students wishing to pursue concerted study in music within a liberal arts context.

Non-music majors may take courses in music or participate in music lessons or ensembles for credit or non-credit. See General Education section and course descriptions below for further clarification.

The Andrews University Department of Music has been a member of the National Association of Schools of Music since 1964. Music majors may choose to join the student chapter of Music Educators National Conference.

ENROLLMENT

Status as an undergraduate music major is provisional until the student demonstrates academic and performance skills on an acceptable level. All first-year students must take the Freshman Theory Placement Exam *prior* to being considered for acceptance as a music major. After the student performs in his/her first applied music examination, the performance instructor makes a recommendation to the music faculty concerning the student's application for admission as a music major. See the *Department of Music Student Handbook* for further information.

Student Handbook. The *Department of Music Student Handbook*, available at the Department of Music office, provides clarification of general guidelines, requirements, and standards as well as information concerning recital attendance, recital requirements, and financial aid and departmental scholarships.

Applied Music General Requirements. All music majors register in applied music for four years in residence and until they complete their senior recital.

Applied Music Examination Requirements. All music majors participate in an applied music examination at least twice during the school year. See the *Department of Music Student Handbook* for full details.

Ensemble Requirements. All music majors must enroll in a music ensemble each semester of residence.

Piano Proficiency. All music majors and minors must pass a piano-proficiency examination. Students who do not pass the examination must enroll in applied piano until the examination is passed. The piano-proficiency examination must be passed before a student is advanced to upper-division status.

Upper-division Status. Application for advancement to upper-division performance studies is submitted to the student's performance teacher no later than two weeks before the final sophomore applied-music examination. See the *Department of Music Student Handbook* for full information.

State Certification. Students planning to teach music in K-12 must take the Bachelor of Music in Music Education degree and also complete required education courses specified by the School of Education.

Denominational Certification is not automatic with state certification and is not required for graduation. Contact the certification clerk in the School of Education for full information.

MUSIC PERFORMANCE CREDITS

The Department of Music offers private instruction in all major instruments and voice which may fulfill music major or non-music major elective requirements. Course outlines detailing specific course content are available from the instructor. The requirements correlate with guidelines suggested by the National Association of Schools of Music as outlined in the *Department of Music Student Handbook*.

Graduate Programs

ADMISSION REQUIREMENTS AND PROCEDURES

- General requirements for admission to graduate study as stated in the Admissions section of this bulletin.
- Musicians with various backgrounds often qualify to study music at the graduate level. Normally, a baccalaureate degree with a major in music is required; however, the following categories may also qualify:
 1. Students with an earned baccalaureate degree within any major, assuming adequate undergraduate preparation in music. Adequate preparation includes mastery of music theory equivalent to content of MUCT202 Music Theory IV, MUCT132 Ear Training Laboratory II, and MUCT232 Music Technology Laboratory II; mastery of music history equivalent to content of MUHL446-448 Music Literature and Style (Antiquity to 20th Century); and mastery of level of performance appropriate to the specific chosen masters program.
 2. Students who have completed programs comparable to the baccalaureate degree from non-United States institutions.
- The Department of Music requires placement examinations in music history and literature, music theory, piano proficiency, and an audition in the major area of performance for all entering students prior to registration. Admission status is provisional until these examinations are completed and any deficiencies removed. Courses used to make up for a deficiency may be taken for graduate credit but may not count for graduate requirements; a minimum grade of B must be earned.

ENSEMBLE REQUIREMENTS

- Participation on a no-credit basis is required or four semesters in one of the following: any Andrews University Department of Music band, choir, or orchestra. Keyboard majors: see note below. Students who require more than four semesters to complete their degree must participate in an ensemble during each semester of residence. Students enrolled in the Master of Music in Music Education extension program at the Universidad de Montemorelos are required to participate in an ensemble during their term of residence at Andrews University.
- Keyboard students in the MA and MMus (music education) programs on the Andrews University campus are required to enroll for 1 credit of MUPF530 Advanced Keyboard ensemble. This may apply as one of the minimum four semesters of ensemble.
- Performance majors in piano and organ are required to enroll for two semesters of MUPF530 and may apply these towards the minimum four semesters of ensemble.

THESIS/PROJECT/RECITAL REQUIREMENT

- This requirement for an MA with emphasis in music or MMus in music education may be met by one of the following:
 1. A thesis—6 credits of MUHL699 and/or EDRM505.
 2. Two projects—2 credits of MUHL698 for each project.
 3. A credit recital—2 credits plus a minimum of 6 credits of applied music.
 4. One project plus a one-credit recital—2 credits of MUHL698 for the project plus a minimum of 4 credits of applied music.
- The MMus degree in performance requires a 2-credit recital. Recitalists must have taken in residence at least one-half of their applied music credit in their major performance area. They must enroll in applied lessons for at least two consecutive semesters prior to the recital date and must audition before a committee of music faculty one month prior to the recital. Students majoring in performance without an undergraduate major in the same performance area (or the equivalent) must offer two recitals, only the second of which is for credit.

Piano Proficiency. Music majors must pass a piano proficiency examination. Graduate students who have not passed this examination on the undergraduate level must take the examination prior to the first registration. Students who do not pass this examination must enroll in applied piano until the examination is passed.

Electives. Each area of study has appropriate choices of electives.

Comprehensive Examinations. All graduate students in music take comprehensive examinations toward the end of their studies. Students should consult with their advisor concerning the appropriate time to apply for these examinations and for guidance in preparing for them.

Non-degree (PTC) Students. A student who plans to study music under this classification (see p. 31) may be admitted to courses as approved by the department chair.

MISSION STATEMENT

Based on a framework of Seventh-day Adventist precepts, the Andrews University Department of Nursing prepares nurses at the baccalaureate and masters degree levels for life-long Christian service in practice, education, leadership and research to the local, national, and international communities. Within a culturally diverse context, the faculty creates a learning environment which develops and enhances critical thinking, communication, therapeutic nursing interventions, professional development, and Christian service.

VISION

Our vision is to provide a Christian teaching and learning environment, in which excellence in Seventh-day Adventist nursing service, education, practice, research, and leadership is the hallmark reflected in our graduates throughout the world. We envision a collaborative relationship between faculty and students which results in mentoring students to:

- Seek professional excellence.
- Affirm Christian service orientation in nursing.
- Be positive change agents within healthcare.

PROGRAM ACCREDITATION

The Andrews University Nursing program is approved by the Michigan Board of Nursing and holds accreditation from the National League for Nursing Accrediting Commission* (NLNAC).
